

Enhanced Expectancies (Bacelar et al., 2022)

Self-Controlled Practice (McKay et al., in press)

Unique Inclusion Criteria:

Enhanced Expectancies Group
Control or Reduced Expec Group
Learnable, Goal-Directed Task

Shared Inclusion Criteria:

Experimental Design
Delayed Retention Test
Included an Objective Measure of Motor Behavior
Published in Peer-Reviewed Journal

Unique Inclusion Criteria:

Included a Self-Controlled Group
Included a Yoked Group
Accepted Thesis

Dependent Measure Selection:

Preferred

Accuracy (i.e., Radial Error)

Less Preferred

Correlated with Objective (i.e., Variable Error)
